8 rent contractor if the board of trustees, after renegotiation with the con-
9 tractor, determines that the terms are satisfactory to the district. The
10 board of trustees may renew the contract for a term not to exceed five (5)
11 years. Renewal of any contract pursuant to this section shall not be granted

21 33-1620~~5~~. LEGISLATIVE INTENT -- YOUTH ATHLETES -- CONCUSSION GUIDE-
22 LINES. The legislature finds that concussions are one of the most commonly
23 reported injuries in children and adolescents who participate in sports and
24 recreational activities. The centers for disease control and prevention
25 estimates that as many as three million eight hundred thousand (3,800,000)
26 sports-related and recreation-related concussions occur in the United
27 States each year. A concussion is caused by a blow or motion to the head or
28 body that causes the brain to move rapidly inside the skull. The risk of cat-
29 astrophic injuries or death is significant when a concussion or head injury
30 is not properly evaluated and managed.

31 Concussions are a type of brain injury that can range from mild to severe
32 and can disrupt the way the brain normally works. Concussions can occur in
33 any organized or unorganized sport or recreational activity and can result
34 from a fall or from players colliding with each other, the ground, or with
35 obstacles. Concussions occur with or without loss of consciousness, but the
36 vast majority occur without loss of consciousness.

37 Continuing to play with a concussion or symptoms of head injury leaves
38 the young athlete especially vulnerable to greater injury and even death.
39 The legislature recognizes that, despite having generally recognized re-
40 turn to play standards for concussion and head injury, some affected youth
41 athletes are prematurely returned to play resulting in actual or potential
42 physical injury or death to youth athletes in the state of Idaho.

43 (1) The state board of education shall collaborate with the Idaho high
44 school activities association to develop guidelines and other pertinent in-
45 formation and forms to inform and educate coaches, both paid and volunteer,
46 youth athletes, and their parents and/or guardians of the nature and risk
47 of concussion and head injury including risks associated with continuing to
48 play after concussion or head injury.

(2) The guidelines, information and forms described in subsection (1) of this section shall be developed for and may be used by all organized youth sport organizations or associations that sponsor, promote or otherwise administer youth sport organizations or activities in this state. The state board of education shall make available on its internet website the guidelines, information and forms provided for in this section.

SECTION 20. That Section 39-5606, Idaho Code, be, and the same is hereby amended to read as follows:

39-5606. PAYMENT TO BE MADE TO PROVIDER. Within the appropriations provided by law, and as authorized by rule, the department shall reimburse the provider for personal assistance services received by the participant. To qualify for reimbursement, personal assistance services must be delivered in accordance with the participant's individual service plan and all federal requirements.

The department will establish annually uniform reimbursement rates for personal assistance agencies. This rate will be based on the prevailing hourly rate paid for comparable positions in the state for nursing home and intermediate care facility for the mentally retarded (ICF/MR) industry employees. ~~Personal assistance agencies and fiscal intermediary agencies~~

For state fiscal year 2011, this rate will only be adjusted if the prevailing hourly rate for comparable positions is less than the rate paid during state fiscal year 2010. The department will establish annually uniform reimbursement rates for the PCS family alternate care providers according to methodology described in agency rule.

The director shall promulgate and adopt such necessary rules to implement the requirements of this section.

SECTION 21. That Section 40-701, Idaho Code, as added by Section 1, Chapter 333, Laws of 2009, be, and the same is hereby amended to read as follows:

40-701. HIGHWAY DISTRIBUTION ACCOUNT -- APPORTIONMENT. (1) There is established in the state treasury an account known as the "Highway Distribution Account," to which shall be credited:
